

Office 365

Your office. Mobile.

Your cloud computing experts.

Microsoft Office 365 and InfiniT bring together cloud versions of your most valuable and trusted collaboration and communications software.

Exchange Online

Access email, calendar and contacts from virtually any desktop or mobile device connected to the web.

SharePoint Online

Access, share and collaborate documents, contacts, tasks and calendars with your colleagues.

Lync Online

Find and connect with the right person through instant messaging, Lync video calls, or online meetings from within your Office

Office Professional Plus

Use the programs you love, like Microsoft Word, Excel, Access, InfoPath, Publisher, OneNote or PowerPoint, and access or edit your work from any computer with Internet access.

Office Web Apps

Skip the thumb drive or emailing that file to yourself. With Office Web Apps you can always have your Word, Excel, PowerPoint and OneNote files with you, no matter what computer or mobile device you're working from.
